

MODEL A ERA FASHION PATTERN CATALOG ORDER FORM

You may order a copy of The Model A Ford Club of America's Model A Era Fashion Pattern Catalog from MAFCA in the following three ways:

1. Order through the MAFCA Store here on the website (www.mafca.com) using a credit card. [Click here to do that now.](#)
2. Order by calling MAFCA at 1-866-379-3619 and use a credit card.
3. Order by sending this form with your check (made out to MAFCA) to MAFCA, 250 S. Cypress St., La Habra, CA 90631-5515

You will get an order form to order copies of patterns with the catalog (you can also print an order form for the patterns on the patterns' website). When you order a pattern you will be getting a full size ready to use pattern, which is a copy of the original pattern. It is your own copy. The copy will be 1, 2, or 3 sheets of paper about 3 feet wide and about 6 feet long. Size is dependent on the number and size of the pattern pieces. Feel free to contact me if you have questions on the patterns.
