**Annual Update on MAFFI**

Gary DuPen stated MAFFI's ongoing projects include the indexing of 90,000 Model A parts drawings at the Benson-Ford Research Center in Dearborn, MI, the assembling of all upholstery and trim that was used in the Model A Ford, the collecting and storing of future display items for a Model A museum and a building endowment fund to support such a museum, and collecting and displaying factory photographs and Ford magazine advertisements from the Model A area.

MAFFI has created a database on their website [www.maffi.org](http://www.maffi.org) to register your Model A. This site provides security for individual personal data. Also, MAFFI has a collection of about 400 factory photos that are available through their website.

**2008 National Convention to be a Joint Meet with MAFCA and MARC**

A Contract has been signed with the Dallas Model A Club, MAFCA and MARC to make the 2008 National Convention a Joint Meet. This should be a great time to renew past friendships so mark your future calendar for June 22-27, 2008.

### **2006 NCRG Meet Car Judging**

Doug Clayton was approved as the Chief Judge for the 2006 NCRG Roundup in Turlock, CA, June 1-4.

### **New Chapter Charter Approved**

A new chapter charter was approved for the Argonaut A's, Jackson, CA.

### **Four National Directors Elected**

Dave Vestal, Membership Chairman, announced the following four National Directors were elected for the 2006 MAFCA year: Les Andrews, George Sage, Stephanie Grundman and George Fontaine. Congratulations to these new Directors.
